E. STANLEY KROENKE

OWNER/CHAIRMAN, KROENKE SPORTS & ENTERTAINMENT

Mr. E. Stanley Kroenke became owner of the Denver Nuggets, Colorado Avalanche and Pepsi Center on July 6, 2000.

The Nuggets are coming off a trip to the NBA Western Conference Finals in 2019-20, a run that included becoming the first team in NBA history to overcome a 3 games-to-1 series deficit twice in the same playoffs. The Avalanche have made the playoffs in each of the last three seasons—the third-longest streak in franchise history—and have advanced to the second round in back-to-back postseasons for the first time since 2006.

Under Mr. Kroenke's leadership, the Nuggets were one of only two NBA teams to make the playoffs in all 10 seasons from 2003 through 2013, which included a trip to the Western Conference Finals in 2009. From 2006 to 2011, Denver won 50+ games in four consecutive years for the first time in team history and followed that up by winning a franchise-record 57 games in 2012-13. Kroenke has overseen two NBA Executive of the Year winners as well as one Coach of the Year award.

Since Kroenke became owner, the Avalanche won a Stanley Cup (2001), captured four division championships (2000-03, 2013-14), won the Presidents' Trophy (2001) and hosted the NHL All-Star Game (2001). During his first five years of ownership, the Avalanche sold out every home game and went on to post an NHL-record 487 consecutive game sellout streak. The Avalanche have been chosen by the NHL to host two outdoor games in the past five years, as the organization hosted the 2016 Stadium Series at Coors Field and the 2020 Stadium Series at the U.S. Air Force Academy.

In the summer of 2011, Kroenke elevated Josh Kroenke to team President and Governor of the Nuggets. In his expanded role, Josh Kroenke hired Tim Connelly as General Manager and Executive Vice President of Basketball Operations in July 2013 and named Michael Malone as Head Coach in June 2015. Two years later, in the summer of 2013, Mr. Kroenke oversaw the elevation of Josh Kroenke to team President of the Avalanche. Josh Kroenke then named Joe Sakic the club's Executive Vice President of Hockey Operations.

Off the ice and court, one of Kroenke's priorities has been the Colorado community. More than $17 million in contributions have been made to Colorado charities through Kroenke Sports Charities and the Colorado Avalanche and Denver Nuggets Community Funds. The Avalanche and Nuggets continue to be strong supporters of youth hockey and basketball in the state of Colorado through initiatives such as donating all game program sales to youth hockey and basketball teams, as well as sponsoring the Avalanche International Pee-Wee Qualifier Tournament and providing numerous youth basketball camps to help teach the game to local children. Additionally, the Kroenke family donated $1 million to the Red Cross organization following the hurricanes that devastated the coastal regions of the country in August 2017.

Denver-based Kroenke Sports & Entertainment owns Major League Soccer's Colorado Rapids and the National Lacrosse League's Colorado Mammoth. The Rapids hosted the MLS All-Star Game in 2007 and 2015 and won the MLS Cup championship in 2010. The Mammoth has been a playoff participant in all but one of its seasons and won the NLL championship in 2006. The Mammoth also hosted the NLL All-Star Game in 2004 and 2009.

In June 2011, Kroenke became the majority shareholder of Arsenal FC, the storied English Premier League football club. The St. Louis Rams (now the Los Angeles Rams) won the Super Bowl in 2000 while Mr. Kroenke was a co- owner; he became the team's principal owner in August 2010. The Rams won the NFC championship during the 2018 season and played in Super Bowl LIII.

Overall, the Avalanche, Nuggets, Rapids and Mammoth have made 48 playoff appearances, won three league championships and hosted five All-Star Games since 2000-01. Arsenal won the 2014, 2015 and 2017 FA Cup and qualified for the Champions League in 19 consecutive seasons from 1998-99 to 2016-17, the second longest run ever.

In addition to his success as a team owner, Kroenke has been a pioneer in television programming. In September 2004, Kroenke launched Altitude Sports & Entertainment, a 24-hour regional television network that is the broadcast home for the Avalanche, Nuggets, Mammoth and Rapids. Altitude also airs professional, collegiate and high school sporting events throughout the Rocky Mountain region. KSE expanded its media position in 2013 with the acquisition of Outdoor Channel and in 2014 with the acquisition of Sportsman Channel. KSE also owns World Fishing Network.

KSE Radio owns three Denver FM radio stations, KIMN-FM (Mix 100.3), KXKL-FM (Kool 105) and KKSE-FM (Altitude Sports Radio 92.5), the radio broadcast home of the Avalanche, Nuggets, Mammoth and Rapids. KSE Radio also owns one Denver AM station, KKSE (Altitude Sports Radio 950 AM).

The Pepsi Center, a KSE-operated facility and the largest indoor arena, event center and concert venue in Colorado, is the home arena for the Avalanche, Nuggets and Mammoth. On April 7, 2007, KSE opened Dick's Sporting Goods Park, one of the largest soccer-specific complexes in the world. The state-of-the-art sports facility sits on more than 160 acres in Commerce City, Colorado, and holds 18,000 fans for field sports and up to 27,000 for concerts. KSE also owns the Paramount Theatre, a historic landmark in downtown Denver, and through Peak Entertainment, LLC, a joint venture between KSE and AEG Live Rocky Mountains, co-manages 1STBANK Center in Broomfield, a multi-use arena accommodating up to 6,500 people for a variety of events. Pepsi Center, Dick's Sporting Goods Park, the Paramount Theatre and 1STBANK Center are home to more than 300 events annually, including world- renowned acts such as Garth Brooks, U2, Madonna, Taylor Swift, Justin Timberlake, Chris Stapleton, Aerosmith and Bruce Springsteen.

Kroenke's enthusiasm and vision ensure that Denver will continue to be the top entertainment destination in the Rocky Mountain region for generations to come. Local media outlets have consistently named Kroenke one of the most significant people in the Denver arts and entertainment community, saying "no other person entertains more people more often."

Kroenke is the chairman and owner of The Kroenke Group, a private real estate investment and development company with properties located throughout the United States and Canada. Over the past four decades, he has built a reputation as one of the nation's leading real estate developers.

A member of the Missouri Sports Hall of Fame, Kroenke holds undergraduate and graduate degrees from the University of Missouri. In addition to their son Josh, who is President and Governor of the Avalanche and Nuggets and Vice Chairman of Kroenke Sports & Entertainment, Stan and his wife, Ann, have a daughter, Whitney, an award-winning documentary film producer.

2020-21 DENVER NUGGETS MEDIA GUIDE

JOSH KROENKE

President & Governor, Denver Nuggets & Colorado Avalanche

Josh Kroenke was promoted to Vice Chairman of Kroenke Sports & Entertainment in the July of 2018. He begins his 11th season as team President/Governor for the Denver Nuggets and Governor of the Avalanche, as he was named to those positions in the summer of 2010. He assumed the additional title of Avalanche team President in 2013, making the upcoming 2020-21 campaign his eighth in that role.

Over the past several seasons, Kroenke has ushered in new eras for both Nuggets basketball and Avalanche hockey. The Nuggets added to their young, energetic core in 2013 by hiring first-year General Manager/Executive Vice President of Basketball Operations Tim Connelly (now President of Basketball Operations). In 2015 Kroenke and Connelly hired Michael Malone to be the franchise's new head coach who finished third in the NBA Coach of the Year voting in 2018-19. The summer of 2017 saw Kroenke and company land one of the largest free agents in the organization's history by inking four-time All-Star Paul Millsap to a multi-year contract. He recently extended the contracts of franchise cornerstones Jamal Murray and Nikola Jokic. Jokic was named an All-Star each of the last two seasons and First Team All-NBA in 2018-19 and Second Team in 2019-20.

During Kroenke's tenure with the Nuggets they have registered six 50+ win seasons, two Western Conference Finals appearances and three Northwest Division titles. He has overseen two NBA Executive of the Year awards, one NBA Coach of the Year award, seven All-Star selections, five All-NBA selections and five players selected to All-Rookie teams. During the 2010-11 season, Kroenke helped orchestrate one of the biggest trades in league history, completing a three-team, 13-player deal with the New York Knicks and Minnesota Timberwolves on Feb. 22, 2011, retooling the Nuggets roster that went on to win a team-record 57 games during the 2012-13 season.

In the summer of 2013, Kroenke named Hockey Hall of Famer Joe Sakic as Executive Vice President/General Manager/Alternate Governor of the Avalanche. The Avalanche responded by winning the Central Division and reaching the playoffs for the first time since 2010. The past three seasons have seen the Avalanche make three consecutive postseason appearances for the first time in 14 years and advance to the second round in each of the last two years.

Kroenke, in conjunction with the National Hockey League, was instrumental in bringing the 2016 Coors Light NHL Stadium Series game to Denver. The event, which featured the Avalanche and the Red Wings playing at Coors Field on Feb. 27, 2016, was the first ever NHL outdoor game in the State of Colorado. The 2019-20 season saw the Avalanche host its second outdoor game in four years, this time at the U.S. Air Force Academy on Feb. 15, 2020 against the Los Angeles Kings.

In November 2017, the Avalanche was selected by the NHL to participate in the 2017 SAP NHL Global Series, which featured a pair of regular-season games against the Ottawa Senators in Stockholm, Sweden. These were the first regular-season games ever played by the Avs in Europe.

In addition to his responsibilities with the Nuggets and Avalanche, Kroenke serves as Alternate Governor for the Colorado Rapids (Major League Soccer) and is on the Board of Directors for Arsenal Football Club (English Premier League) in London. In his role as Vice Chairman of Kroenke Sports & Entertainment, he works closely with KSE executives on multiple business operation.

In 2014, Kroenke was named to the SportsBusiness Daily's prestigious "Forty Under 40" list. The annual list honors the most promising young executives in sports business under the age of 40.

Additionally, Kroenke has spearheaded numerous business initiatives throughout Ball Arena and the Nuggets and Avalanche organizations. In 2013 he oversaw the installation of a 4,400 square foot HD center-hung scoreboard, one of the largest and most technologically advanced scoreboards in a professional sports arena. In just the past two years he has unveiled new home, road and alternate jerseys for the Nuggets, overseen the complete redesign of the Nuggets' locker room, training room and players' lounge, and introduced Club Lexus, offering exclusive amenities and services to Nuggets and Avalanche ticket-holders.

Kroenke is also leading KSE into the fast-growing area of eSports. Instrumental in the decision to create KSE eSports, Kroenke acquired the inaugural franchise in Activision/Blizzard's Overwatch league, now known as the Los Angeles Gladiators. As co-founder of KSE eSports with his father Stan, Josh has helped guide all elements of the operation including branding and launch of the team in January 2018.

Athletic competition has always been a passion for Kroenke, who attended the University of Missouri on a full basketball scholarship. He was a contributor during Missouri's trip to the Elite Eight as a sophomore in 2002, and he earned Academic All-Big XII First Team honors while serving as team captain during his junior and senior seasons. After graduating with a degree in financial management, Kroenke completed a six-month internship with the NBA's League Office working in its Player Development Department. Upon finishing his internship, Kroenke worked on Wall Street where he assisted with the debt underwriting and securitization of numerous commercial real estate transactions.

Away from the Nuggets and Avalanche, Kroenke serves on the Board of Directors for Arsenal Football Club in London and on the Board of Strategic Development for the Trulaske College of Business at the University of Missouri. Kroenke is an active supporter of Kroenke Sports Charities and the Denver Nuggets and Colorado Avalanche Community Funds. He is involved in several other charitable endeavors, including the Todd Peglow Memorial Scholarship Fund at the University of Missouri. He is also a major supporter of the Playing For Change Foundation, which was co-founded by his sister, Whitney, and benefits children worldwide by building schools that specialize in teaching music and arts. He currently serves on the Board of Strategic Development for the Trulaske College of Business at the University of Missouri.

TIM CONNELLY

President of Basketball Operations

Tim Connelly begins his eighth season with the Denver Nuggets and his fourth as President of Basketball Operations. He previously served as General Manager and Executive Vice President of Basketball Operations after being hired to that role in July 2013. Connelly works closely with President and Governor Josh Kroenke in all aspects of team and organizational matters as they aim to keep the Nuggets among the NBA elite.

During his tenure in Denver, Connelly and his staff have shown their knack for finding talent throughout the draft, highlighted by the selection of two-time All-Star Nikola Jokic with the 41st pick of the second round in 2014. He has also overseen the drafting of current starters Gary Harris and Jamal Murray, as well as promising prospects, Michael Porter Jr., Monte Morris and Bol Bol over the past seven seasons. Additionally, Connelly has helped draw the interest of free agents to Denver, including the signing of Paul Millsap in the summer of 2017.

Connelly has helped orchestrate the team's turnaround in recent years as the Nuggets have ascended towards the top of the Western Conference. Denver has captured two straight Northwest Division titles (2018-19, 2019-20), marking the first time since 2008-09 and 2009-10 that the franchise repeated as division champions and just the fifth time in division history there was a repeat winner. Additionally, the Nuggets captured the third seed in the Western Conference playoffs in 2020, making the postseason in consecutive seasons for the first time since 2012 and 2013.

Denver advanced to the Western Conference Finals last season, the first time for the franchise since 2009. It also marked the first time since 1985 and 1986 that Denver secured a playoff series win in consecutive years and they became the first team in NBA history to overcome two 3-1 series deficits in the same postseason.

Connelly, spent three seasons with the New Orleans Pelicans as their assistant general manager before coming to Denver. Prior to his time with New Orleans, Connelly spent 10 years with the Washington Wizards organization where he rose to director of player personnel. In Washington, his role included overseeing scouting, salary cap and database management, player evaluation responsibilities, as well as assisting the vice president of player personnel with all front office duties.

The Baltimore product began working for the Wizards as an intern in the basketball operations department in 1996, and after his graduation from DC's Catholic University in 1999, Connelly was named to the Wizards staff as assistant video coordinator. In 2000, Connelly became a full-time scout for Washington, and later assumed the head scouting role. During his four-year stint as a scout for the Wizards, Connelly traveled across five continents to identify the top talent in the basketball world.

Connelly's service to the game of basketball has spanned the globe in recent years. In 2018, Connelly traveled to Tel Aviv, Israel and served as a coach as part of the NBA's "Basketball Without Borders" program. He also worked in Moscow, Russia in 2012 for the program and his first experience with "BWB" came in the summer of 2006 in South Africa. That same summer he was involved with the Seed Academy in Dakar, Senegal. He has served on the board of GEN Basketball Academy, a Sarajevo-based academy funded by NATO, and has assisted with their youth camps. Additionally, in the summer of 2007, Connelly visited Dublin, Ireland to help raise youth awareness of cultural diversity and integration through the sport of basketball, and to work with the Irish federation on future basketball-related initiatives. Connelly has also visited England with his brother Pat as part of their personal efforts to aid the globalization of basketball.

Connelly is one of seven children, having four brothers and two sisters. Each of Connelly's four brothers -- Joe, Pat, Dan and Kevin -- played basketball at Towson Catholic, the powerhouse Baltimore program, and their love of the game has not faded.

Connelly and his wife Negah have orchestrated vast community events, including hosting an annual Mile-High Ping Pong Challenge which benefits local Denver community organizations.

Last season saw Coach Malone lead the Nuggets to a 46-27 record in a COVID-19 shortened season, as they captured their second Northwest Division title in as many years. It marked the first time since 2008-09 and 2009-10 that the franchise repeated as division champions and just the fifth time in division history there was a repeat winner. Denver clinched the third seed in the Western Conference playoffs, making the postseason in consecutive seasons for the first time since 2012 and 2013.

In the Orlando Bubble, Malone helped lead the Nuggets to a 4-3 first round series victory over the Utah Jazz, as they joined elite company, becoming the 12th team in NBA history to come back from a 3-1 deficit to win a series. It also marked the first time since 1985 and 1986 that Denver secured a playoff series win in consecutive years. In the second round, the Nuggets overcame another 3-1 deficit, defeating the L.A. Clippers 4-3, becoming the first team in NBA history to come back from down 3-1 twice in a single postseason. Denver advanced to the Western Conference Finals for fourth time in franchise history and the first since 2009.

Since Malone has taken over prior to the 2015-16 season, the Nuggets have improved on their win total in four of five seasons with the only exception being the 2019-20 shortened season (+3 after 15-16, +7 after 16-17, +6 after 17-18 and +8 in 18-19).

Malone possesses over 23 years of coaching experience, 19 coming in the NBA with six different teams – New York, Cleveland, New Orleans, Golden State, Sacramento and Denver. The teams that Malone has been a member of the coaching staff have amassed 11 playoff appearances, including one NBA Finals showing and three conference finals appearances. Malone and his staff also were selected to coach Team LeBron at the 2019 NBA All-Star game in Charlotte, NC, defeating Team Giannis 178-164.

Prior to Golden State, Malone worked as the lead assistant to Monty Williams in New Orleans and helped the Hornets achieve a 46-36 record and a trip to the 2011 NBA Playoffs. The Hornets were the most improved defensive team in the NBA in 2011, allowing a league-best 8.7 fewer points per game than in the previous campaign (94.0 ppg, after giving up 102.7 ppg in 2009-10).

Malone also served as an assistant coach under Mike Brown for the Cleveland Cavaliers for five seasons, during which the Cavs posted a 272-138 (.663) record, the third-best mark in the NBA over that span. The Cavaliers made five consecutive playoff appearances during Malone's time on the bench, reaching the NBA Finals in 2007 and the Eastern Conference Finals in 2009. In 2008-09, the Cavs notched a franchise record and NBA-best 66 wins, with Malone and the rest of the team's staff earning the right to coach the Eastern Conference All-Star squad. In 2009-10, the Cavaliers again captured the league's best regular season record with 61 wins.

Malone's NBA coaching career began with a four-season stint with the New York Knicks, where he originally joined Jeff Van Gundy's staff as a coaching associate in the summer of 2001, and was promoted to assistant coach in May 2003.

Before joining the NBA, Malone coached seven years in the college ranks, with his last stop coming at Manhattan College where he was the lead assistant. During the 1998-99 season Malone worked at the University of Virginia as its director of men's basketball administration. Malone also spent three seasons (1995-96 – 1997-98) at Providence College under New York Basketball Hall of Fame coach Pete Gillen after beginning his coaching career working for Greg Kampe at Oakland University in Michigan.

Malone is a three-time participant in the NBA's "Basketball Without Borders" program, having coached at the league's global outreach camps in Africa (2017), Puerto Rico (2006) and Argentina (2005). He is a graduate of New Jersey's Seton Hall Prep where he played two years under Bob Farrell. Malone also played a season under Tom Blackburn at Worcester Academy (Mass.).

Those with season credentials who will cover specific games must call the Nuggets Media Relations Office to arrange for seating. Credentials must be visible to security staff at all times. The Nuggets reserve the right to revoke credentials at any time for any reason.

PRESS SEATING

A media-dedicated elevator can be accessed across from the doors to the Nuggets locker room. TV broadcasters will be seated courtside. Beat writers and visiting media will be seated above the vomitory. The home and away radio broadcast positions are located in section 202/260 and can be accessed via the club level. There will be a Nuggets media relations representative on hand to assist radio broadcasters at this position. Wireless internet is available throughout the arena.

Credentialed photographers may shoot from the baselines of the Ball Arena floor in designated areas only. Photographers may not block courtside signage at any time. Free-lance photographers will not be granted credentials unless they are on specific assignment from a magazine or newspaper and there is space available. The Nuggets require a letter of request from an editor to verify any credential applications by free lancers. The Nuggets ask that photographers please be considerate of season ticket holders behind them.

STATISTICAL SERVICES

Game notes and other pertinent statistical information will be in the working press room 90 minutes before tipoff. Play-by-play, quarter, halftime and final boxscore sheets will be distributed in all press areas. TODD ROMERO

Sports Host/Reporter

Todd Romero is a Denver native and a 1986 graduate of the University of Denver. Todd began attending Nuggets games as far back as 1969 when the Nuggets were the Denver Rockets.

After beginning on radio, Romero landed his first sports anchor job in 1991 at KJCT in Grand Junction. In 1995, Romero was hired at KUSA Channel 9 where he covered the Denver Broncos in back-to-back Super Bowls and was the first local reporter in the locker room for live interviews after the Broncos beat the Packers in Super Bowl XXXII.

Romero is also one of the few Denver broadcasters to be in the Rockies clubhouse when they captured their first ever wild card playoff berth in 1995. The Colorado Avalanche arrived that same year and Todd was there to cover the team through that season which culminated in winning the Stanley Cup.

Romero also had stops in Kansas City as the Sports Director for a local NBC Affiliate. Following a 3-year stay in Kansas City, Todd then worked as play-by-play talent for the WWE before heading to Florida where he covered the Florida Gators and Tim Tebow in their championship season.

In 2012, Romero was hired on at Altitude and is now in his 10th year with Altitude Sports. He hosts the pre and post-game shows for the Nuggets, does play-by-play for high school football and for men's and women's basketball at the University of Denver.

CHRIS DEMPSEY

Denver Nuggets Analyst

Christopher Dempsey is a Colorado native, born in Boulder, grew up in Montbello, and attended Montbello High School before moving on to majoring in journalism at the University of Colorado at Boulder. His career of over two decades of sports journalism began in Boulder, covering preps, all manner of sports at CU, and the Denver Broncos for the Daily Camera newspaper. In 2003, Dempsey moved on to the Denver Post, where he covered the Nuggets, college football at both CU and CSU, the Colorado Rapids and national college basketball. As a 20-something he was once told by a veteran in the business that eventually a life of immersing himself in sports would become stale, that he would look for outlets. Dempsey never believed it. And to this day he counts himself lucky to be working in a world (sports), covering a sport (basketball) and being around a hometown team (the Nuggets) that energizes him every single day.

BILL HANZLIK

Television Anchor/Reporter

Bill Hanzlik, who spent 10 years as a player and coach in the Denver Nuggets organization, is in his eighth season as Nuggets analyst for the pre-game and post-game shows on Altitude Sports.

Considered one of the most beloved players in Nuggets franchise history, Hanzlik was with Denver from 1982-91 and helped the Nuggets reach the NBA Playoffs eight times. During his career, the Nuggets posted a cumulative record of 360-296 (.549) and captured two Midwest Division titles (1984-85 and 1987-88). Originally the 20th overall selection in the 1980 NBA Draft (by Seattle), Hanzlik played two seasons for the SuperSonics before he was traded to Denver.

In 1991, Hanzlik moved on to the coaching ranks, becoming an assistant for Allan Bristow with the Charlotte Hornets. He was an assistant with the Hornets for five seasons and later moved on to coach with Lenny Wilkens and the Atlanta Hawks organization in 1996. On May 29, 1997, Hanzlik was named head coach of the Nuggets and held that position for the 1997-98 season.

Hanzlik now directs the Gold Crown Foundation, a non-profit corporation dedicated to improving the lives of Colorado's children through athletics and education. He founded the organization in 1986 with the help of Colorado business leader Ray Baker. Now a full-time CEO of the Foundation, Hanzlik has overseen the growth of the Foundation's athletic programs from one-week summer girls' basketball camp with an enrollment of 150 to its current 20,000 participants, ages 9-18 in numerous sports programs.

Hanzlik played four seasons at the University of Notre Dame (1976-80) and helped lead the Irish to the NCAA Final Four. He was also a member of the 1980 U.S. Men's Olympic Basketball Team that did not compete in the 1980 Moscow Olympics because of a political boycott. He was elected to the Colorado Sports Hall of Fame in 2003.

Bill and his wife, Maribeth, reside in Greenwood Village. They have four children.

KATY WINGE

Denver Nuggets Reporter and Analyst

Katy Winge is in her third season as an analyst, reporter, and host for Altitude TV and the Denver Nuggets. She previously was the in-arena reporter and an associate producer at the Ball Arena, hosting the pregame and halftime show Courtside Countdown.

Basketball became Katy's passion in 3rd grade. Through her early playing years, a dream to play in college developed - and blossomed after Illinois State University offered her a scholarship. After roughly 15 years, Katy saw her decorated career on the court as a Division I athlete come to an end. That marked the beginning of her new journey as a broadcaster.

Thanks to her background, Katy loves breaking down the game. She cares about being the connection between the team and the fans, and likes telling stories that go beyond simply the score.

With a master's degree in journalism from Northwestern University, Katy worked as a sideline reporter and host for Comcast SportsNet Chicago and FOX Sports Wisconsin. She also did analyst work for Big Ten Network's StudentU Productions. In addition, she worked as a local sports anchor, producer, and reporter at KTTC/FOX 47 in Rochester, MN.

A tomboy at heart hailing from Minnesota, Katy is a lover of family, friends, food, and traveling. She enjoys all things outdoors, especially hiking and skiing, and adventuring around the Mile High City.

RADIO BROADCASTING

JASON KOSMICKI

Radio Play-By-Play Announcer

Kosmicki enters his 29th season with Kroenke Sports Enterprises. After serving numerous roles in the radio department, Kosmicki has been the voice of the Denver Nuggets for the last 14 years.

"Koz" moved back to the states at age 11 after spending seven years living in Germany. He relearned the English language and eventually attended the University of Nebraska at Kearney.

While in college, he served as Sports Director of the campus radio station and called playby-play action for "just about any sport imaginable," including football, basketball, baseball, wrestling, volleyball, softball, swimming and even the Sigma Tau Gamma fight night (boxing).

His athletic career peaked in high school where he was a four-year letterman in football and basketball and two years in golf. But as Koz is quick to point out: "It's not that impressive; we had 60 kids in our high school."

After college, Koz landed radio stints in Eau Claire, WI (where on his first week he did play-by-play for a curling tournament), Minneapolis, Washington D.C., Houston, Corpus Christi and Colorado Springs before making his way to the Denver area.

In his free time, Koz enjoys golfing and fishing at Lake McConaughy. The Nebraska native follows his home state Cornhuskers and resides in Indian Hills. His daughter Jacque graduated CU Denver and recently got married.

Anaerobic – Exercise without the use of oxygen as an energy source; short bursts of vigorous exercise.

Anterior Cruciate Ligament (ACL) – A primary stabilizing ligament within the center of the knee joint that prevents hyperextension and excessive rotation of the joint.

Anti-inflammatory – Any agent that prevents inflammation, such as aspirin or ibuprofen.

Arthroscopy – A surgical examination of the internal structures of a joint by viewing through an arthroscope. An arthroscopic procedure can be used to remove or repair damaged tissue or as a diagnostic procedure in order to inspect the extent of the damage or confirm diagnosis.

Atrophy – To shrivel or shrink from disuse, as in muscular atrophy.

Biceps – Muscles on the front of the upper arm responsible for flexing the elbow and shoulder.

Bone Scan – An imaging procedure in which a radioactive-labeled substance is injected into the body to determine the status of a bone injury. A bone scan is particularly useful in diagnosing a stress fracture.

Bruise – A discoloration of the skin as a result of an extravasation of blood into the underlying tissues.

Bursa – A fluid-filled sac located in areas of the body where friction is likely to occur, for example between a tendon and the underlying bone.

Cartilage – Smooth, slippery substance preventing the ends of bones from rubbing together.

Chondromalacia – Roughening of the articular cartilage. Best known for roughening of the on the underside of the patella, which can occur in any patellofemoral injury.

Concussion – Jarring injury of the brain.

Contusion – A tissue injury caused by a direct blow.

Cyst – Abnormal sac containing liquid or semi-solid matter.

Dehydration – State resulting from loss of body fluid where fluid output (sweating) exceeds fluid intake.

Dislocation – Complete displacement of joint surfaces.

Fracture – Breach in continuity of the bone. Types of fractures include simple, compound, comminuted, greenstick, incomplete, impacted, longitudinal, oblique, stress and transverse.

Groin Strain – Strain to the muscles that work to adduct the leg.

Hamstring – Group of muscles that run from the buttocks to the knee along the back of the thigh. The hamstring muscles work to flex the knee and extend the hip and are often injured as a result of improper conditioning or lack of flexibility.

Hip Pointer – Contusion to the iliac crest.

Hyperextension – Extreme extension of a limb or body part.

Inflammation – The body's natural response to injury in which the involved site may display various degrees of pain, swelling, heat, redness, and/or loss of function.

Magnetic Resonance Imaging – Imaging procedure in which a radio frequency pulse causes certain electrical elements of the injured tissue to react. MRI does not require radiation and is very useful in the diagnosis of soft tissue, disc, and meniscus injuries.

Medial Collateral Ligament (MCL) – Ligament on the medial aspect of the knee that connects the femur to the tibia and provides medial stability to the joint.

Meniscus – Crescent-shaped cartilage located within the knee that works to absorb weight and provide stability.

Metatarsals – Five long bones of the foot, running from the ankle to the toes.

Microfracture Surgery – An orthopedic surgical technique that can help restore knee cartilage by creating tiny fractures in the adjacent bones, causing new cartilage to develop. It can be used to treat both degenerative knee problems as well as cartilage injuries, and has gained a high profile in the sports world in recent years.

Patella – The kneecap. The patella functions to protect the distal end of the femur as well as to increase the mechanical advantage and force-generating capacities of the quadriceps muscle group.

Patella Tendinitis – Inflammation of the patellar ligament; also known as **jumper's knee.**

Plantar Fascia – The tight band of connective tissue in the arch of the foot.

Plantar Fasciitis – Inflammation of the plantar fascia; associated with overuse or acute foot injuries.

Posterior Cruciate Ligament (PCL) – A primary stabilizing ligament of the knee that prevents backward displacement of the tibia.

Quadricep Muscles – A group of four muscles in the thigh that works to extend the knee.

Reconstruction – Surgical rebuilding of a joint using natural, artificial or transplanted materials.

Rotator Cuff – Group of four shoulder muscles responsible for moving the shoulder in internal and external rotation and assisting with overall shoulder stability.

Shin Splint – A catch-all syndrome describing pain in the shin that is not a fracture or tumor and cannot be defined otherwise.

Spasm – A sudden, violent and involuntary muscle contraction.

Sprain – A twisting, stretching, pulling or tearing of a ligament.

1st Degree: A stretching but no tearing of a ligament. Athlete may either return to play immediately or will miss very little activity.

2nd Degree: A partial tear of a ligament. Bracing may be required. Athlete may miss one to four weeks.

3rd Degree: A complete tear of the ligament. Depending upon the ligament involved, bracing or even surgery may be required. Athlete may be out of activity from three weeks to one year or longer.

Sternum – The breast bone.

Strain – The stretching, pulling or twisting of a muscle or tendon.

1st Degree: A stretching but no tear of the muscle or tendon. Athlete may either return to play immediately or will usually miss very little activity.

2nd Degree: A partial tear of a muscle or tendon. Athlete may miss one to four weeks.

3rd Degree: A complete tear of a muscle or tendon. Depending upon the muscle or tendon involved surgery may be required. Athlete may be out of activity from three weeks to one year or longer.

Stress Fracture – A hairline break in a bone usually caused by overuse.

Subluxation – Partial dislocation of a joint. The term usually implies that the joint can be returned to its normal position without formal reduction.

Tendinitis – Inflammation of the tendon and/or tendon sheath, usually caused by chronic overuse.

Triceps – Muscle on the back of the upper arm that is responsible for extending the elbow and shoulder.

Ultrasound – An electrical modality that transmits sound waves through an applicator into soft tissue in order to heat the area.

40 | BYRON BECK

Jersey Number Retired: December 16, 1977

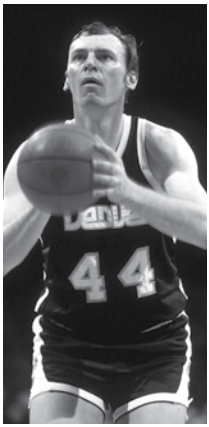
Byron Beck's name can be found next to the word "first" in several places in the Nuggets history books. He was the first player signed by the original Denver Rockets franchise in 1967 and fittingly, his was the first number retired by the Nuggets.

Beck, who played for the Rockets/Nuggets from 1967-77, was one of the best pure shooters in ABA history, and his sweeping hook shot was a team trademark for its first 10 years.

The two-time ABA All-Star (1969; '76) never averaged more than 14.5 points per game in a season; nonetheless, he stands in sixth place on the Nuggets all-time scoring list (8,603) - a true reflection of his consistency. In addition, he ranks second in rebounds (5,261) and third in games played (747).

Beck always stepped up his play at crunch time. In the 1973 ABA Playoffs, Beck averaged nearly 20 points per night. In 1976, he helped lead the Nuggets to the ABA Finals. Beck appeared in 66 playoff games with Denver, posting a 12.8 scoring average - more than a point per game higher than his career regular season average.

The former University of Denver star was a fan-favorite and his work in the community earned him considerable respect off the court. Beck was the leading Nugget in personal appearances and he was the Denver sports co-chairman for Labor Day's Muscular Dystrophy Telethon.



44 | DAN ISSEL

Jersey Number Retired: April 5, 1985

The name Dan Issel became synonymous with the Denver Nuggets during his playing days from 1975-85 and it still is today. Nicknamed "The Horse", Issel is one of the most popular sports figures in Colorado history.

Issel never failed to respond when duty called and was one of the most durable players in pro basketball history. In his 15-year pro career, Issel played in 1,218 of 1,242 possible games.

When he retired in 1985, he left as the Nuggets all-time leading scorer and rebounder after notching 16,589 points and 6,630 boards. He still ranks among the top five in nearly every statistical category on the Nuggets all-time list.

One of the most prolific scorers in basketball history, Issel ranks eighth on the combined ABA/NBA all-time scoring list with 27,482 points. He trails only Kareem Abdul-Jabbar, Karl Malone, Michael Jordan, Wilt Chamberlain, Julius Erving, Moses Malone and Shaquille O'Neal.

There was more to Issel than his on the court prowess, however. He was also a leader in the community. In 1985, the Professional Basketball Writers Association of America recognized that and presented Issel with the J. Walter Kennedy Award for community service.

In 1992, Issel returned to the Nuggets, this time as their head coach. He orchestrated a tremendous turnaround, taking a club that had won just 44 games in two years prior to his arrival and leading them to the NBA Playoffs in just two seasons. He re-joined the franchise in 1998 as General Manager and subsequently served as President and Head Coach until 2001.

"The Horse", a 1976 ABA All-Star and a '77 NBA All-Star, became the first Nugget to be elected into the Basketball Hall of Fame in 1993.

33 | DAVID THOMPSON

Jersey Number Retired: November 7, 1992

Before there was Michael Jordan, there was David Thompson. Nicknamed "Skywalker", Thompson dazzled Nuggets fans from 1975-82 with his incredible leaping ability, crowd-pleasing dunks and seemingly effortless scoring ability.

In his seven seasons, Thompson racked up 11,992 points - good for fourth on Denver's all-time scoring list. In addition, he still ranks in the top five in nearly every major scoring category in Nuggets history.

After the Nuggets acquired his draft rights in 1975, Thompson made an immediate impact. In his first year, he captured ABA and pro basketball Rookie of the Year honors after averaging 26.0 points per game. He was also named MVP of the 1976 ABA All-Star Game.

Nothing changed when the Nuggets entered the NBA. "DT" was named to the All-NBA First Team in 1977 and '78 and he made three-straight NBA All-Star appearances, earning MVP honors in the 1979 contest. He is the only player to ever be named MVP in both an ABA and NBA All-Star game.

On April 9, 1978, the 6'4" guard poured in a career-high 73 points against the Detroit Pistons. The 73 points are a Nugget single-game record and are tied for the third-most ever scored by an individual in a non-overtime game in NBA history.

Thompson was traded to Seattle in the summer of 1982, ending his illustrious seven-year career in Denver. DT was inducted into the Basketball Hall of Fame in 1996.

2 | ALEX ENGLISH

Jersey Number Retired: March 2, 1993

Alex English's career can best be summed up with one word: consistency. In 10 of his 11 seasons with the Nuggets (1979-90), English averaged better than 21 points per game. In eight of those 11 years, he scored more than 25 per game.

When he departed as a free agent in 1990, English left as the Nuggets all-time leading scorer - having notched 21,645 points - and his career average of 25.9 ppg is the best in Nuggets history. He also ranks 13th on the NBA's all-time scoring list.

The eight-time NBA All-Star is also the Nuggets career leader in games played, minutes played, field goals made, field goals attempted and assists. Additionally, he ranks third in steals, fourth in rebounds and fifth in blocked shots.

In each of his first 10 seasons with the Nuggets, English finished among the top 10 in the NBA in scoring. In 1982-83, he became the first and only Nugget to lead the league in scoring with a 28.4 average. English also holds the distinction of leading the NBA in scoring during the decade of the '80s, after compiling 19,682 points.

A second-team All-NBA member in 1982, '83 and '86, English guided the Nuggets to Division championships in 1984-85 and '87-88.

Also a leader in the community, English was presented the J. Walter Kennedy Citizenship Award for community service in 1988. In 1985, he convinced NBA players to donate their shares from the All-Star game to Interaction Ethiopia, a relief fund.

He was inducted into the Basketball Hall of Fame in 1997.

432 | DOUG MOE

Nuggets Total Wins Retired: November 7, 2002

Doug Moe was the face and personality of the Nuggets throughout the '80s - one of the most successful eras in club history - serving as the team's charismatic head coach from 1980-90.

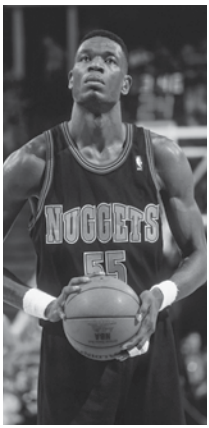
On Dec. 18, 1980, Moe assumed head coaching duties following the departure of Donnie Walsh. Over the next 10 years, he racked up 432 regular season wins and 24 postseason victories - both team records. He guided the Nuggets to nine-straight playoff appearances, including a trip to the 1985 Western Conference Finals, and two Midwest Division titles in '84-85 and '87-88. In '87-88, the Nuggets won a franchise-record 54 games, earning Moe NBA Coach of the Year honors.

Moe's "passing game" offense was one of the most feared in the NBA during the '80s. The Nuggets averaged no fewer than 114.6 ppg in each of his years and averaged better than 120.0 ppg for five-straight seasons ('80-85). In fact, the Nuggets led the NBA in scoring in six of Moe's 10 years in Denver.

Moe's clubs produced 13 All-Star selections and three of his players, David Thompson, Dan Issel and Alex English, have been inducted into the Basketball Hall of Fame.

Affectionately known as the "Big Stiff", Moe began his career with the Nuggets in the ABA as an assistant coach on Larry Brown's staff from '74-76. During those two seasons, the Nuggets posted a 125-43 record and advanced to the 1976 ABA Finals.

He also served as head coach of the San Antonio Spurs ('76-80) and Philadelphia 76ers ('92-93) and compiled 628 career wins, the 20th-most in NBA history.



55 | DIKEMBE MUTOMBO

Jersey Number Retired: October 29, 2016

Dikembe Mutombo was inducted into the Naismith Basketball Hall of Fame in September 2015 and will become the fifth player and sixth representative in team history to have his number enshrined in the rafters. He joins fellow Nuggets greats Byron Beck (#40), Alex English (#2), Dan Issel (#44), David Thompson (#33) and Doug Moe, who coached the team to a franchise-record 432 wins. This will mark the first time that the Nuggets have retired a player's number at Pepsi Center.

Drafted fourth overall by Denver in the 1991 NBA Draft, Mutombo played for the Nuggets from 1991 to 1996, compiling averages of 12.9 points, 12.3 rebounds and 3.81 blocks in 391 total games. As a member of the Nuggets, Mutombo was a three-time NBA All-Star ('92, '95 and '96), three-time NBA blocked shots leader ('93-94, '94-95, '95-96), named Defensive Player of the Year in '94-95 and was instrumental in helping the Nuggets become the first eighth-seeded team to defeat a number one seed in NBA Playoff history. Mutombo still remains the Nuggets all-time leader in blocked shots (1,486) and career rebounding average (12.3 per game) while ranking third in rebounds (4,811) and 19th in points (5,054).

In addition to his on-court accolades, Mutombo's humanitarian efforts shine even brighter. He created the Dikembe Mutombo Foundation in 1997, opened the Biamba Marie Mutombo Hospital in the Democratic Republic of Congo in 2007 and has been one of the leaders of the Basketball Without Borders program in Africa for over 15 years. Former NBA Commissioner David Stern appointed Mutombo to the role of Global Ambassador in 2009.

12 | LAFAYETTE "FAT" LEVER

Jersey Number Retired: December 2, 2017

Lever was a member of the Nuggets from 1984 through 1990. In 474 games spanning six seasons with Denver, he averaged 17.0 points, 7.6 rebounds, 7.5 assists and 2.46 steals per game. The Nuggets reached the postseason in all six of Lever's years while playing under Head Coach Doug Moe and his up-tempo system, including a trip to the Western Conference Finals in 1985.

Lever earned an All-Star spot in both the 1988 and 1990 seasons and was named to the All-NBA Second Team in 1986-87 and the All-Defensive Second Team in 1987-88. He is scattered throughout the Nuggets' all-time leaderboards, ranking 1st in steals (1,167), 2nd in assists (3,566), 7th in points (8,081), 7th in made field goals (3,304), 7th in minutes played (16,867) and 8th in rebounds (3,621).

The Pine Bluff, Arkansas native also earned the reputation as a prolific triple-double threat during his time in Denver. He registered 46 triple-doubles as a Nugget (including three in the playoffs), far and away the most in franchise history. He is currently one of only seven NBA players since 1983-84 to have registered a triple-double with steals and is the only Nugget in team history to ever do so. Lever led the NBA in triple-doubles (16) in 1986-87, tied for the most in the league (12) in 1987-88 and came in 3rd (10) in 1988-89. Over that three-year span, Lever ranked 2nd in the NBA in total triple-doubles with 38, trailing only Magic Johnson (43) and ahead of Michael Jordan (18).

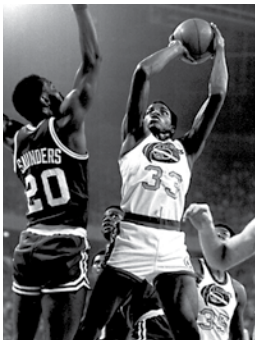
DAVID THOMPSON'S 73-POINT GAME



On April 9, 1978, David Thompson became just the second player in NBA history (Wilt Chamberlain) to score more than 72 points in a game as he hit for 73 against the Detroit Pistons on the final day of the regular season at Detroit's Cobo Arena.

DT broke the NBA record for points in a quarter (32 in the 1st) and field goals in a quarter (18 in the 1st).

His 73 points still stand as the most scored by an individual in Nuggets history and are the third-most (Wilt Chamberlain, 100, Kobe Bryant, 81) ever scored in a non-overtime game in NBA annals.

Despite DT's heroics, the Nuggets lost, 139-137.

HIGHEST SCORING GAME IN NBA HISTORY

An unassuming crowd of 9,655 fans filed into McNichols Arena on Dec. 13, 1983, unaware that they were about to witness NBA history.

On this winter night, the Pistons and Nuggets battled back-and-forth in one of the most exciting games of all time. Detroit, led by All-Star guard Isiah Thomas' 47 points, overcame a horrendous night at the foul line (37-60) and outlasted the Nuggets, 186-184, in triple overtime. The game still stands as the highest scoring contest in league history.

What makes that mark even more incredible is that only two three-point field goals were made the entire night.

In all, six NBA records were broken including: most points, both teams, game (370); most points, one team, game (Detroit, 186); most players with 40-or-more-points, game (4); most field goals made, both teams, game (142); most field goals made, one team, game (Detroit, 74) and most assists, both teams, game (93).

All six still stand today.

GIVING BACK TO THE COMMUNITY

NUGGETS COMMUNITY OUTREACH

The Denver Nuggets are committed to improving the lives of families and children in Colorado through a comprehensive program of education, health and fitness, community initiatives and special events. Our players, coaches and staff are active participants in the community, dedicating over 1,000 hours of their time off the court to visiting schools, hosting youth basketball clinics, lifting the spirits of young patients in the hospital and attending fundraising events that benefit Kroenke Sports Charities.

COMMUNITY PROGRAMS

The Denver Nuggets are proud to support a number of youth programs that focus on education, health & fitness and teamwork. Every year, players and coaches can be found in the classroom using basketball principles to get students excited about school. The team is also committed to helping children with health and athletic programs by having the players and coaches share their knowledge about fitness and nutrition. The education, health & fitness and athletic programs of the Denver Nuggets include:

Denver Nuggets Math Hoops

Denver Nuggets Math Hoops, *sponsored by UBS Financial*, is a fast paced basketball board game that allows students to learn fundamental math skills through direct engagement with real player statistics of their favorite NBA and WNBA players.

Nugget for a Day

This program, *presented by Rocky Mountain Hospital for Children*, provides an opportunity for deserving children to spend a day as a special guest of the Denver Nuggets. The program includes an exclusive behind the scenes tour of Ball Arena, invitation to a closed Nuggets practice, game tickets, dinner, and special recognition at the game.

Family Fit

In partnership with Kroenke Sports Charities, Boys & Girls Club of Metro Denver and Food Bank of the Rockies, Family Fit is designed to educate kids and families on healthy lifestyles based around eating and fitness. Once a month over the course of the season, families spanning 22 Denver area Boys & Girls Clubs receive a "Family Fit" activity box including food ingredients, healthy snacks and sports equipment to help promote active and healthy lifestyles.

Denver Nuggets Community Ambassadors

Throughout the year, Denver Nuggets Community Ambassadors work with more than 30,000 people at approximately 30 monthly appearances in Colorado such as basketball skills clinics, fundraising events, sportsmanship – leadership – civic presentations and events.

Mentor Month

The Denver Nuggets team up with *Planet Fitness* to celebrate Mentor Month in January. Nuggets Community Ambassador Ervin Johnson visits Boys & Girls Clubs to host Community Conversations regarding the importance of leadership.

Common Goals

The Common Goals program, *presented by Western Union*, provides students at Denver schools the opportunity to learn about diversity and inclusion concepts through an online course. The topics of identity, bias, power, privilege and oppression are all covered in the Common Goals course. Students are also invited to participate in a virtual panel that draws upon the concepts learned during the course.
